

(Name of Your) Church Children's Missions

The Children's Missions encourages you to save, collect, and bring in common household items to be sorted and sent as a mission project to benefit local and international organizations.

Items for you to bring in for the Children's Missions Project can be sorted and put in the drawers or unsorted and left on top of the cabinet under the coat rack in the narthex. Items include:

Stamps (cancelled, uncancelled, stamp collections, first day covers, duck stamps, etc.) for US Veterans Programs

Pop Tabs for Ronald McDonald House of Rochester

The **fronts of greeting cards** (except for American Greeting, Disney, or Hallmark due to copyright issues) for St. Jude's Ranch for Children.

Box Tops for Education for local schools

Clean plastic **medication bottles** with lids and the labels removed for GoServ Global Haiti Orphanages

Toothbrushes, toothpaste, dental floss, soap, and shampoo, including those samples given to you at the dentist or when staying at a motel or hotel for GoServ Global Haiti Orphanages and the Women's Shelter

Cash donations to help with the costs of postage and shipping (can be placed in container or put in offering)

Help us teach our children the importance of loving one another, helping those less fortunate, the act of giving in time and effort, and that little things can make an impact! **Thank You!**
